

# **CONCRETE & BUILDING MATERIALS DOUBLE ROW DIAMOND GRINDER**

**DESCRIPTION:** The P3-CG is an entry-level double row cup grinder that offers excellent value for money on small to medium grinding applications.

**FEATURES:** Double row of diamond segments for long

MACHINE SUITABILITY: Electric and Cordless angle grinders.

## **STANDARDS:**

• EN13236: European Standard that regulates the safety requirements for super abrasive (diamond) products.

# **USER TIPS:**

- For the best results, keep the disc flat to the surface of the material.
- Apply only enough pressure to maintain contact with the material. Exessive pressure will result in the disc cutting into the surface.

## **PACKAGING DETAILS:**

White corrugated cardboard box.

Widely Recycled

#### **PRODUCT DETAILS:** Part No. **Dimensions**

DP15062	115 x 22.2mm
DP15063	125 x 22.2mm
DP15064	180 x 22.2mm
