DESCRIPTION:

The ST-MTB Sanding Range consist of an 80mm delta backing pad and 3 different grits of aluminium oxide sanding sheets. Featuring Hook & Loop fitting, making it quick and easy to position and remove the sanding sheets.

FEATURES:

Hook & Loop fitting, for speedy sanding sheet changes

MACHINE SUITABILITY:

Universal Fitting – Fits most brands of machine

USER TIPS:

- Always wear the appropriate PPE
- Make sure that the attachment is the correct fitting for your machine
- Ensure that the sanding sheet is positioned correctly on the back pad
- Avoid using excess pressure when sanding. Excess pressure will not improve the sanding performance and may result in damage to the back pad
- If the effectiveness of the sanding sheet reduces, then simply replace the sanding sheet and continue
